PRATEEK PANDEY

+91 9838387750   - Portfolio   - pandeyprateek560@gmail.com   -   linkedin   -   Github

EDUCATION

NIT Jamshedpur   **Jamshedpur, Jharkhand, India**
Master of Computer Application - 7.71 CGPA   *08/2023 - Present*
International Institute for Special Education   **Lucknow, Uttar Pradesh, India**
Bachelor of Computer Applications - 70.11%   *08/2019 - 05/2022*

TECHNICAL SKILLS

Programming Languages: C, C++, JavaScript, Java, MySQL
Web Developement: HTML, CSS, Node.js, Express.js, React.js, Next.js, Tailwind CSS, MongoDB
Tools & Technologies: Git, Github, JWT, Postman
Databases: MySQL, MongoDB
Other: DSA, Algorithms, OOPS, Data Structures, Problem Solving

PROJECTS

Portfolio Website 🔗   **04/2025-Present**
- Developed a dynamic and responsive portfolio website using **Next.js**,**Tailwindcss** and **TypeScript**.
- Integrated **Radix UI** components and **Framer Motion** for accessible UI and smooth animations.
- Showcased personal projects and skills with a modern, minimal design and **dark/light** theme support via next-themes. Deployed on **Vercel** with **Custom Domain** integration.

DailyOrbit 🔗   **04/2025-Present**
- A web based task management app where users can share and manage their tasks efficiently.
- Users can categorise their tasks and also can track the progress.
- Implemented **private routes** for preventing private routes from unauthorised access, used **JWT tokens** for authentication.

TypeArena 🔗   **06/2025-Present**
- Built a typing platform where users can practice, create, and join typing contests.
- Implemented **JWT authentication** for secure user login and data management
- Used **MongoDB** to store user data, **Socket.io** live leaderboard.

EXPERIENCE

Organizing Head — Coding Competitions 🔗
Society of Computer Science and Engineering — [NIT Jamshedpur]   *01/2025-Present*
- Organized and managed coding competitions with 50+ participants across multiple technical domains.
- Designed problem statements, evaluated submissions, and ensured smooth event execution.

ACHIEVEMENTS

- **Codeforces (Pupil, Highest Rating: 1209)** – Solved **400+ problems**, demonstrating strong **algorithmic and problem-solving skills**
- **CodeChef (2-Star, Max Rating: 1565) –** Achieved a **global rank of 232 in Starters 130 div4**, showcasing proficiency in **competitive programming**.
- **LeetCode (Max Rating: 1644)** – Solved **500+ problems**, ranked **156,474/689,002 (Top 23.14%)**, highlighting **DSA expertise**.
- **Google GenAI study jams certificate.**
- **HackerRank (5-Star)** – Earned **939.11 points** in **Problem Solving** and **272.19 points** in **C++**, demonstrating **strong coding proficiency**.
- **GeeksforGeeks (3-Star, Max Rating: 1609)** – Solved **400+ problems**, showcasing **data structures and algorithms mastery**.

EXTRACURRICULAR ACTIVITIES

- **Technical Head, SCSE Society (Society of Computer Science and Engineering)**: Led and organized **2+ coding contests** with **100+ students** participating and **8 problems** set, fostering a **learning community** for juniors
- **Member, NSS (National Service Scheme, NIT Jamshedpur)**: Managed **multiple NSS events** such as **Cloth donation**, contributing to community service projects, social awareness campaigns, and leadership activities.
- **Chess Player in URJA PG Team**
